

2018-2019 PHOTO PERMISSION FORM

(Please Check One)

The photographing, videotaping and broadcasting of class activities, school functions and events are common and customary practices on public school campuses and the images are used within the school campus. When student photos or videos are distributed to outside sources for publication to the general public, parent consent is requested.

Regarding distribution of student photos, video, or broadcasts on various forms of social media, including the school or county web page, parent consent must be maintained on file by the school annually. Please complete the following form as indicated below and return to the teacher within 10 days of enrollment.
